internationale
design* 15→30 NOV.2008
Saint-Étienne

Review

Three major questions

How can design help to develop our lifestyles?

*City Eco Lab,
Sugoroku,
Flight Number Ten,
So Watt! Du design dans l'énergie,
Habiter demain,
Préfiguration du quartier Manufacture- plaine Achille.*

How can design work with research and innovation?

*Demain c'est aujourd'hui [Part 2],
2036,
L'Appartement géant,
N-1,
Le Garage,
Exploration et réalisme énergétique – post-diplôme ESADSE (résultats du programme de recherche avec EDF).*

How can design now become a tool for economic development?

*Design et compagnies,
Dedans, dehors, autour. États du corps,
Hôtel D,
Design & shop,
Osez le design !.*
